About API

Since our first student intake in 1998, API has recognized the critical role that language plays to bring, bridge and build people across nations.

As a student of the college, you will experience our unique holistic and multicultural approach. We will

1. Give you a warm welcome and provide you with assurance of a friendly and caring environment,
2. Make available broader opportunities for you to experience all facets of Australian living and
3. Ensure that multiculturalism is reflected in all our educational materials.

For people seeking to learn English as their second language, our certificates provide pathways for further tertiary study and employment opportunities in Australia.

API has been acknowledged as being the very first college in Australia to provide unique multicultural courses which include language training. Over the last 11 years, API has welcomed students from at least 30 nationalities. If you walk around our campuses, you’ll see that it resembles a mini “United Nations”!

API also partners with the Multicultural Community Centre to serve the community by providing practical training courses that meet the needs of new migrants.
